— *Who we are*

“

Learning is a powerful tool.
Learning makes every human
a potential genius.

Established in
1980

MALAYSIA

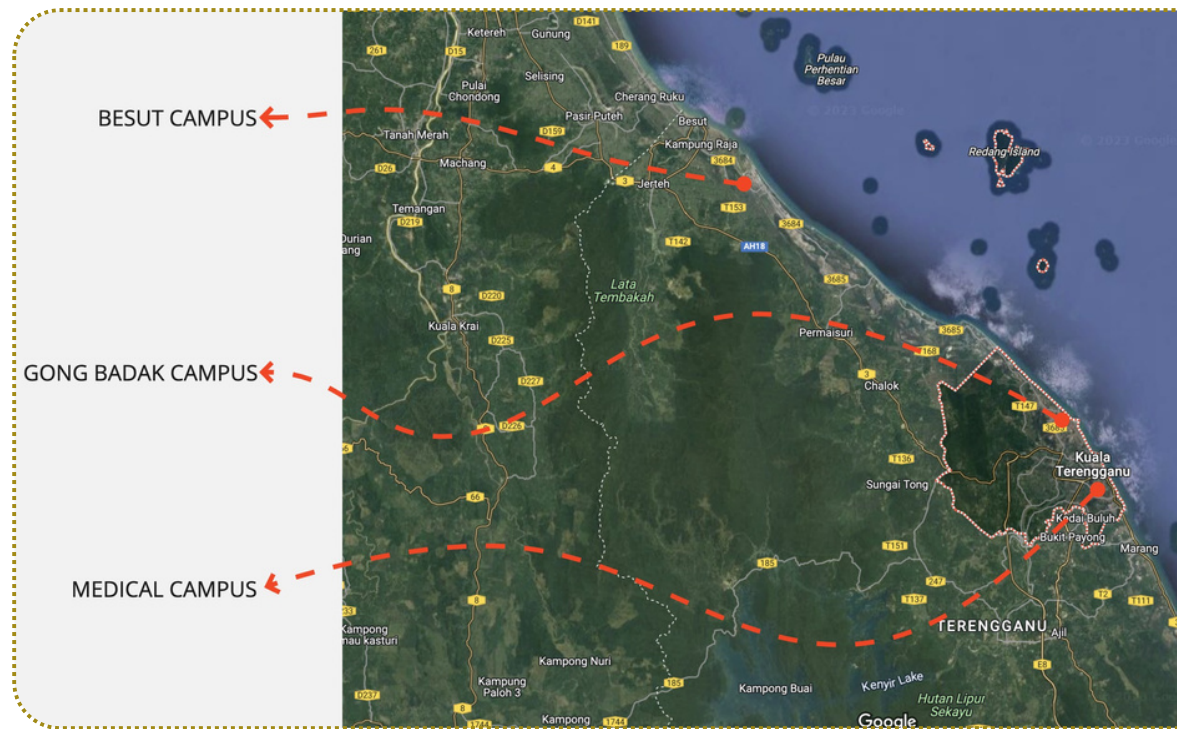

A fast growing country with a population of over 33 million, Malaysia is located at the heart of Southeast Asia. Modern and dynamic, it is widely recognised as a leader in tertiary education, attracting students from all corners of the world. Malaysia is perfectly placed to offer boundless opportunities to students looking for quality education.

TERENGGANU

Located on the East Coast of Peninsular Malaysia, the state of Terengganu is known for its natural beauty and warm friendly people. Terengganu boasts tropical rainforests, pristine islands, picturesque fishing villages and palm-fringed beaches.

Kuala Terengganu, the capital of Terengganu has a population approaching 500,000. Located 50 minutes by flight from Kuala Lumpur, the city offers both modern amenities and small town charm. Safe, friendly and affordable, students living here can maintain a comfortable lifestyle and benefit from the easy to reach tourist sites found nearby.

Three campuses and 12 faculties to enhance your student experience

International Centre Services

The UniSZA International Centre (IC) is dedicated to supporting international students throughout their academic journey. The centre provides assistance with immigration matters, visa applications, accommodation, and offers guidance on various aspects of student life. IC staff are committed to ensuring that international students have a smooth transition and a fulfilling experience at UniSZA.

Conditional Offer Letters

Conditional offer letters for both undergraduate and postgraduate candidates are available for those who are accepted by the faculty of their choice, but who have yet to meet the English language requirements as stated in this brochure. In order to receive a full offer letter, applicants must meet all the entry requirements, including those for the English language. Candidates with conditional offers will receive their full offer letter once they have submitted evidence of their English language level from one of the internationally recognised testing centres.

ELITE English

UniSZA provides a CEFR aligned, multi-level English language course for international students who do not meet the English language entry requirements. Known as ELITE (English Language International Course), and designed for both undergraduate and postgraduate candidates, students with conditional offer letters may enrol with ELITE and take the appropriate number of levels of English required.

International Student Activities

Our international community is represented by students from over 40 countries. We empower our international students through the International Student Society (ISS) which is the main organisation representing the interests of international students at UniSZA. ISS holds regular talks and activities that allow students to organise, plan and run educational visits throughout Terengganu and Malaysia. ISS is also the best place to meet new friends and develop lasting relationships. The International Student society also is responsible for representing the interests of international students at UniSZA.

Undergraduate Studies

ENTRY REQUIREMENTS

Senior High School/ Senior Secondary School/ Other Certifications from government schools (with the period of at least 11 to 12 years of study from primary to higher secondary);

OR

Pass General Certificate of Education (GCE) / A-Level;

OR

Diploma in related field;

OR

Any other Certificate that is recognised and approved by the Senate of the University;

LANGUAGE REQUIREMENTS

International English Language Testing Service (IELTS) Band 4.5;

OR

Test of English as a Foreign Language (TOEFL iBT) score of 33;

OR

Linguaskill score of 147;

OR

Malaysian University English Test (MUET) Band 3.0.

Faculty of Islamic Contemporary Studies

Studying at UniSZA has been an incredibly fulfilling experience for me. The joy of learning here stems from the exceptional guidance and expertise of our lecturers. They're not just teachers; they're mentors who impart knowledge and wisdom that goes beyond the textbooks. Their dedication to nurturing our growth is truly inspiring.

Asif Sanaullah, PhD
Pakistani

Faculty of Business and Management

At UniSZA, students are constantly interacting with the International Centre (IC) for issues related to visa and admissions. On behalf of all international students, I would like to pay a heartfelt tribute to the diligence and dedication shown by the IC staff in solving different issues faced by students during and before the pandemic. We all have noticed the enthusiasm and extra effort the IC puts to solve the immigration-related issues of students. We will continue to be grateful for the IC staff's ability in helping students and solving their problems.

2

Specific Requirements:

A GPA of at least 2.75 in GCE (A-level) / Diploma / equivalent

Hafizu Mustapha Sani, PhD
Nigerian

Faculty of Languages and Communication

I thoroughly enjoyed the environment at UniSZA, which offered several advantages. Firstly, the availability of good internet services played a significant role in my academic pursuits. Approximately 70-80% of the books, journals, and articles I utilized for my thesis were accessed through the University's internet services. The modern and well-equipped library also proved to be an invaluable resource. I vividly recall a time when my laptop malfunctioned; during that period, I relied exclusively on the computer room within the library for a duration of 9 weeks.

Germán Mingramm Yarza, PhD

Mexican

Faculty of Bioresources and Food Industry

My experience with the International Centre, in general, was quite pleasant. Most of the times that I needed their support, I received very good feedback, explanations and detailed answers to my questions, in order to move forward to the next step of the process. I was also able to contact them through WhatsApp, so my questions could get solved fast and effectively. I am very grateful to the International Centre for their stupendous help.

Pass an interview or submission of portfolio as required
AND

AND

Candidate is not colour blind, physical or speech handicapped.

Elagha Emad, PhD

Palestinian

Faculty of Business and Management

My love to be exposed to other cultures and dealing with them, was probably one of the main reasons why I decided to participate with UniSZA which was one of the most amiable and exciting experiences in my life.

Today I am very glad and honoured to be a member of the international centre activities under the umbrella of UniSZA, all those efforts paid off quite well now! "Be brave take risks, nothing can substitute experience", I am very grateful to be part of UniSZA and to live this thrilling experience. I exchanged experiences and knowledge with the diverse students that are studying at UniSZA.

·General Science/ Biology/ Chemistry/ Physics/ Applied Science at SPM/ equivalent
·Mathematics (Elementary or Additional or Modern) at SPM/ equivalent.

***Note: Malay Language is needed for clinical work beginning in year 3.**

Postgraduate Studies

ENTRY REQUIREMENTS

Master's Degree by Research

A bachelor's degree in the field or related fields with a minimum CGPA of 2.75;

OR

A bachelor's degree in the field or related fields or equivalent with a minimum CGPA of 2.50 and not meeting CGPA of 2.75, can be accepted subject to rigorous internal assessment;

OR

A bachelor's degree in the field or related fields or equivalent with minimum CGPA of 2.00 and not meeting CGPA of 2.50, can be accepted subject to a minimum of five (5) years working experience in the relevant field and rigorous internal assessment;

OR

Other qualifications recognised by the Senate;

Master of Law (LLM)

A bachelor's degree in Law or Shariah with a minimum CGPA of 2.75 out of 4.0 or its equivalent qualification as accepted by Senate of UniSZA;

OR

A bachelor's degree in Law or Shariah not meeting CGPA of 2.75 but above CGPA of 2.50 out of 4.0 or its equivalent qualification may be accepted, subject to UniSZA rigorous internal assessment;

OR

A bachelor's degree in Law or Shariah below a CGPA of 2.50 out of 4.0 or its equivalent qualification may be accepted, subject to a minimum of 5 years working experience

Master of Science (Computer Science)

Bachelor's degree with Honours with a minimum CGPA of 3.00 in a related field recognised by UniSZA senate;

OR

Graduated with a CGPA of at least 2.75 in a related field recognised by the senate; and have a minimum of 3 years working experience;

OR

Graduated with a CGPA of less than 2.50 in a related field recognised by UniSZA senate; and have a minimum of 5 years working experience

Doctoral Degree by Research

A master's degree in the field or related fields accepted by the Senate;

OR

Other qualifications equivalent to a master's degree recognised by the Senate;

OR

Master's candidates possessing a Bachelor's Degree with CGPA 3.30 and above may apply for conversion to the Doctor of Philosophy Programme subject to terms;

OR

Candidates possessing a Bachelor's Degree with CGPA 3.70 and above may apply for direct admission to the Doctor of Philosophy Programme subject to terms.

For Doctor of Philosophy (Law), candidates must also have a Bachelor's degree in Law or Shariah.

ENGLISH LANGUAGE REQUIREMENTS

All international candidates must fulfil minimum English language requirements. Some exemptions may be given, check the Graduate School website for details. Minimum language requirements according to the programme are as follows:

NO	PROGRAMME	TOEFL	IBT/IBT Home Edition	IELTS	MUET	Cambridge English Qualifications and Tests

Faculty of Pharmacy (FF)

FEES RM 3,500/semester

Master of Science / Doctor of Philosophy | RESEARCH

Health

Clinical Pharmacy | Pharmacy Practice | Pharmaceutical Chemistry | Pharmacology | Pharmaceutics | Behavioural Health | Health Promotion | Health Education | Immunology | Oncology | Digital Health

Faculty of Bioresources and Food Industry (FBIM)

FEES RM 3,500/semester

Master of Science / Doctor of Philosophy | RESEARCH

Natural Sciences, Mathematics and Statistics

Biochemistry | Environmental Sciences | Chemistry | Physics | Mathematics | Statistics

Biochemistry

Food Biochemistry | Proteomics | Plant Biochemistry | Molecular Biochemistry | Protein Structure and Stability | Metabolomics | Animal Reproduction | Aquatic Parasitology | Toxicology | Plant Toxicology | Environmental Toxicology | Food Handling/Hygiene

Environmental Sciences

Water Quality | Air Quality | Environment Modelling | Environmental Studies -Remote Sensing and GIS | Environmental Forensics

Chemistry

Natural Product Chemistry | Functional Food | Animal Nutrition

Food Processing

Drying Technology | Food and Drink Processing | Flour Production | Meat Processing | Honey Processing | Food Product Development and Innovation | Thermal and Non-thermal Food Processing | Fabricated Meat | Microencapsulation and Powder Technology | Flour Technology and Baking Science | Confectionery Science | Oils and Fats Technology | Halal Science | Food Emulsions and Nanoscience | Dairy Food Industry | Microbiological Food Safety | Food Process Modelling and Simulation

Biology

Plant Physiology | Animal Systems Biology and Physiology | Aquatic Biology | Animal Health and Diseases | Animal Diseases Diagnostic | Fish Health | Invertebrate Biology | Molecular Biology | Botany

Entomology

Microbiology

Agricultural Microbiology | Beneficial Microorganisms | Microbiological Food Safety | Fermentation | Veterinary Microbiology | Aquaculture Microbiology | Microbiological Food Safety

Genetics

Animal Genetics | Population Genetic | Plant Genetics

Biotechnology

Plant Biotechnology | Animal Reproduction Technology

Plant Breeding

Agriculture

Pest Management | Applied Ecology | Agribusiness Marketing | Agribusiness Economics | Agricultural Economics | Agricultural Plant Science | Soil and Water Engineering | Agronomy and Crop Science

Fisheries

Fisheries Science and Technology | Fisheries Science/ Aquaculture | Fisheries Management | Hatchery Design and Management | Aquatic Animal Physiology and Behaviour | Aquaculture Production | Fish Seed Production | Aquatic Animal Nutrition | Marine Culture

Veterinary

Beef Production (Ruminants) | Animal Sperm Cryopreservation | Fish Breeding | Animal Husbandry | Poultry Husbandry (Quail Production) | Aquatic Animal Nutrition | Marine Culture

East Coast Environmental Research Institute (ESERI)

FEES RM 3,500/semester

Master of Environmental Science / Doctor of Philosophy of Environmental Science | RESEARCH

Environmental Science

Environmental Forensic and Management | Analytical Chemistry | Chemometrics | Environmental Modelling | Hydrology | Soil Erosion and Sedimentation Rehabilitation | Environmental Impact Assessment | Waste Management | Biomass Waste Management | Bioremediation | Wastewater Treatment | Mapping | Modelling and Forecasting | Geomorphology | Geographical Information System (GIS) | Advanced | Membrane Technology and System For Multi-Industries | Enzymes Purification | Chemical Processing and Nanotechnology | Atmospheric Science (Astronomy & Astrophysic) | Environmental Technology | Oil Spill Fingerprinting | Insect Ecology & Conservation | Pesticide Management | Sustainable Environmental Technology

Faculty of Informatics and Computing (FIK)

FEES RM 3,500/semester

Master of Science / Doctor of Philosophy | RESEARCH

Computer Science

Cloud Computing | Grid Computing | Networking & Communication | Distributed Systems | Image Processing | Virtual Reality | Multimedia | E-Learning | Information Retrieval | Semantic Web | Software Engineering | Informatics | Soft Computing | Computer Security | Information Security

Master of Science in Mathematics / Doctor of Philosophy | RESEARCH

Mathematics

Mathematics | Numerical Analysis | Computational Mathematics | Applied Mathematics | Data Analysis

Master of Science in Statistics / Doctor of Philosophy | RESEARCH

Statistics

Applied Statistics | Mathematics Statistics | Statistical Modeling

Master of Information Technology (Management Informatics) | MIXED MODE

TOTAL FEES RM 22,150

Bayan Nayif Mashoor, Master
Jordanian

Faculty of Languages and Communication

I am very pleased to be studying at UniSZA. The campus is so big and remarkable with very good facilities. Lecturers are knowledgeable and supportive. I also appreciate the meticulous efforts of the International Centre in maintaining a good pace in the tiring process of immigration.

Faculty of Innovative Design and Technology (FRIT)

Master of Science / Doctor of Philosophy | RESEARCH

FEES RM 3,500/semester

Applied Science

Applied Chemistry | Bio-composite Technology | Environmental Technology | Industrial Chemistry | Material Technology | Polymer Technology

Manufacturing and Processing

Furniture Crafts | Furniture Making | Plastic Manufacturing | Timber Technology | Wood Technology | Wood Machining and Turning

Engineering & Engineering Trade

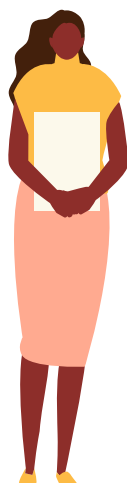

Metal Fitting, Turning and Machining | Material Engineering | Metallurgical Engineering | Electronics and Automation | Computer Engineering | Control Engineering | Electronic Engineering | Electricity and Energy

Master of Arts / Doctor of Philosophy | RESEARCH

FEES RM 2,500/semester

Arts

Art study | Craft skill | Sketching | Design | Design of Industrial Products | Fashion Design | Industrial Design

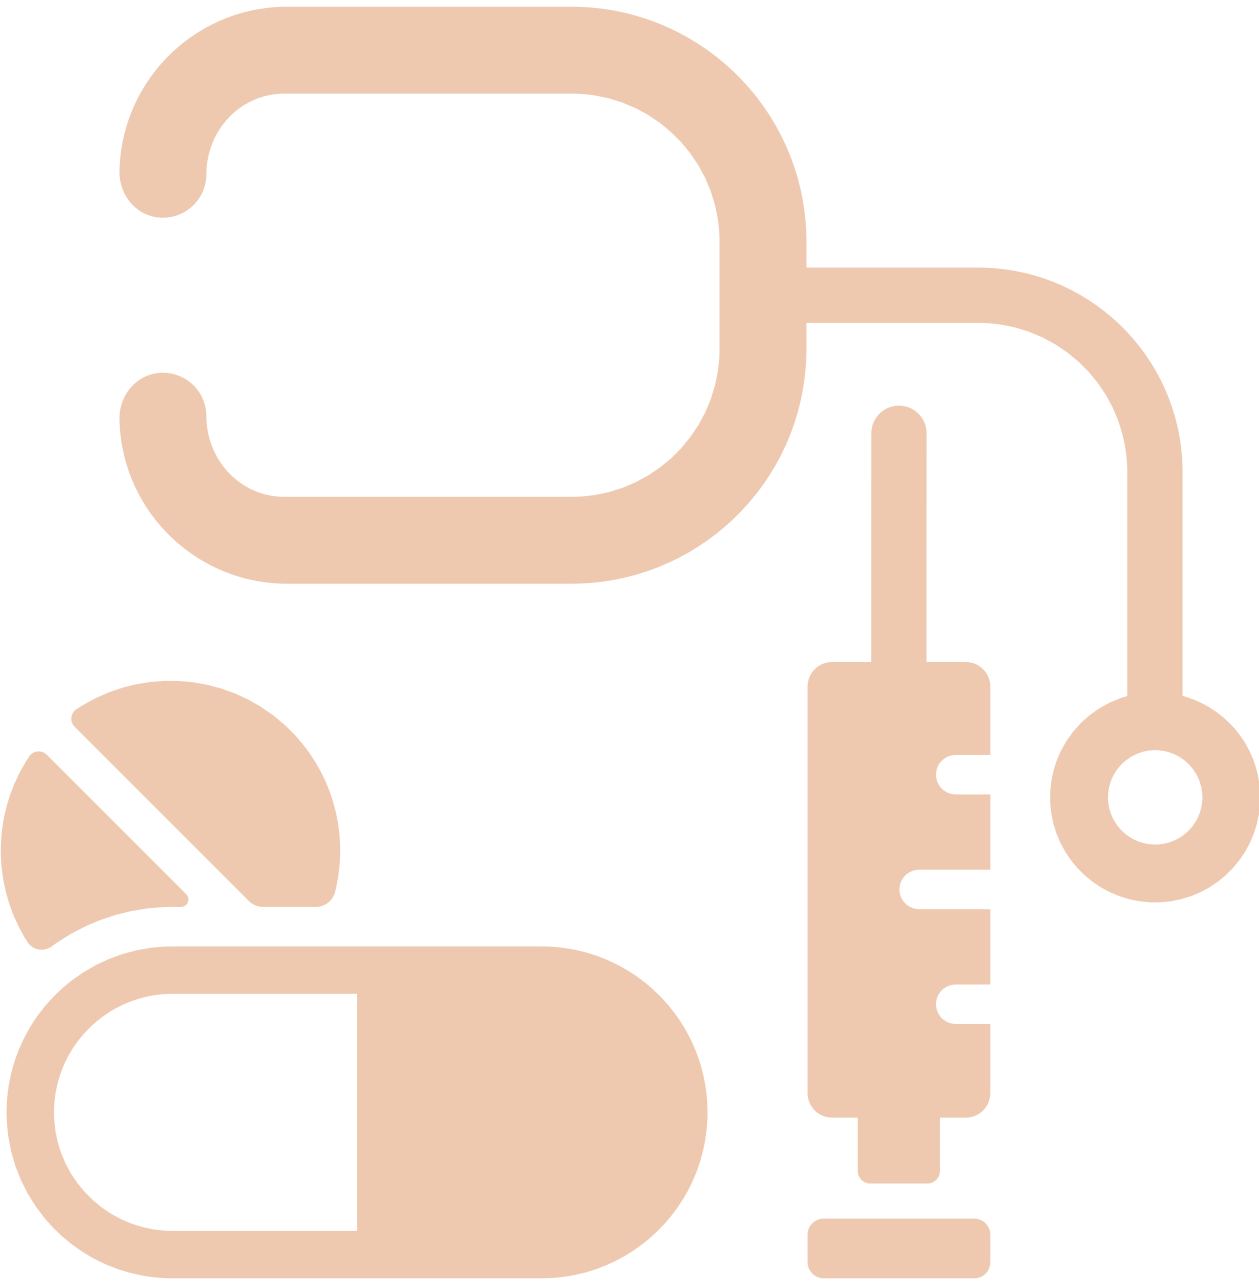

Amina Usman Sabo Ago , PhD
Nigerian

Faculty of Business and Management

UniSZA is an esteemed university with a reputable history in undergraduate and postgraduate studies. It is the best university to study at because it has a conducive environment for learning.

The smiles and laughter, welcoming attitude, prompt service and great English communication skills of the staff make being at UniSZA wonderful.

Faculty of Medicine (FP)

FEES RM 3,500/semester (Non-clinical)

FEES RM 5,000/semester (Clinical)

Master of Science / Doctor of Philosophy | RESEARCH

Health

Anatomy | Addiction Medicine | Behavioural Science | Biostatistics | Epidemiology | Forensic Science | Family Health | Gerontology | Herbal Medicine | Internal Medicine | Medical Biochemistry | Medical Pharmacology | Medical Physiology | Medical Genetics | Molecular Medicine | Medical Education | Neurosurgery | Orthopaedic | Obstetric and Gynaecology | Ophthalmology | Otorhinolaryngology | Pathology | Haematology | Microbiology | Anatomic pathology | Parasitology | Psychological Medicine | Primary Care Medicine | Pre-hospital Care | Radiology | Surgery | Sports Science and Rehabilitation | Nephrology | Nursing

Master of Occupational and Environmental Health / Doctor of Philosophy in Occupational and Environmental Health | RESEARCH

Dike Dandari Sukmana, Master Indonesian

Faculty of Pharmacy

Of all Malaysia's universities offered by the NTB scholarship program, I saw that UniSZA is listed as the campus which offered a chance to get a master degree by doing research. So then, I looked for a research opportunity that was suitable for my background and finally got it.

After long and careful consideration, I was able to contact all stakeholders easily, starting from the International Centre, Graduate School, the dean of pharmacy, and my prospective supervisor, to discuss my study plan and research related to my background field. Everything went smoothly, I am so happy I decided to continue my studies here.
